The District Treasury Officers aided by their Head Accountants should personally scrutinize the entries under the head Local Remittances Nos. 4 and 5 which, it is observed, contain many items belonging to Revenue and other heads. They should be rectified by transfers in the District Treasury accounts and the Amildars should be instructed to rectify their accounts accordingly.

Detailed statements of all items transferred under these instructions should be appended to the Treasury account for March 1885 in which the credits should appear.
